In re Application of  
Jeong, In Kwon  
Application No. 09/780,713  
Filed: February 8, 2001  
Attorney Docket No. ORL-001

ON PETITION

This is a decision on the petition under 37 C.F.R. § 1.137(b), filed May 6, 2004, to revive the above-identified application.

The petition is **GRANTED**.

This application became abandoned for failure to timely reply within three months to the non-final Office action mailed July 31, 2002. No extensions of time under the provisions of 37 CFR 1.136(a) were obtained. Accordingly, this application became abandoned on November 1, 2002. A Notice of Abandonment was mailed on February 13, 2003.

Petitioner has met the requirements to revive the above-identified application pursuant to 37 CFR 1.137(b).

The Revocation of Power of Attorney with New Power Of Attorney and Change of Correspondence Address submitted with the instant petition on May 6, 2004 is hereby not accepted. Although petitioner properly submitted the Statement under 37 CFR 3.73(b), it is not complete. In this regard, the 3.73(b) does not include the reel and frame number showing the chain of title from the inventor(s), of the patent application above, to the current assignee. Petitioner may also submit any documentary evidence of a chain of title from the original owner to the assignee (e.g., copy of an executed assignment). The documents submitted to establish ownership might be required to be recorded pursuant to § 3.11 in the assignment records of the Office as a condition to permitting the assignee to take action in a matter pending before the Office. A courtesy copy of this decision is being mailed to the address given on the petition; however, the Office will mail all future correspondence solely to the address of record.

The file is now being forwarded to Technology Center 3700 for further examination on the merits.

Telephone inquiries should be directed to the undersigned at (703) 306-0482.
